## Order Confirmation

I certify that I am authorised to place this order on behalf of the proposed LinxCRM licence holder and agree to the following conditions:

- All LinxCRM software licences are subject to an End-User Licence Agreement, a copy of which can be viewed on the LinxCRM web site [here](#).
- "Users" are defined as the greater of the number of individual logins or the number of computers or virtual computers on which LinxCRM is installed.
- Subscription payments are debited on or about the 20th of the month prior to the next renewal period and a receipt will be supplied by email after payment has been received. You will then need to re-activate online.
- **The prices above are based on a minimum subscription period of 12 months.** Except in the case of conversion to a full purchase, if the subscription is cancelled, or payment ceases, prior to the expiry of that period an early termination fee equal to the unpaid amount of the minimum term will become due immediately and will be charged using your existing payment authority. On receipt of payment, an Activation Code will be issued which will be valid to the end of the minimum period.
- After the minimum period, written notice to cancel the subscription must be given at least 14 days prior to the next renewal period and a completed Licence Variation Request confirming un-installation must be completed. The cancellation will take effect on receipt of such Licence Variation Request or at the end of any period for which an Activation Code has already been issued, whichever is the later.
- Rates are subject to change in accord with the published LinxCRM Price List, a copy of which is available [here](#) or on request. However, you are guaranteed a minimum of 12 months at the above rates.
- All users on the same licence need to be on the same Product Level (ie. Executive, Professional etc).
- This is a legally-binding contract and should be signed by a Director or Principal only.
